Ability to create personalized development strategies and apply personality insights effectively. Enhanced career opportunities and competitive edge in the job market.

About Us

We are providing TYPE-based personality development and enhancement in Pakistan since 2005. We have trained more than 500,000 students to use the TYPE in the process of their career selection. We have commenced the training session on TYPE-based development programs in Pakistan with a vision to accommodate the TYPE in all organizations so that people should be understood rather than being judged. We have instructed many teachers, trainers, coaches, and motivational speakers to incorporate the TYPE in their profession. We received the best training company award in 2018 by WHO IS WHO because of our innovative endeavours in Pakistan.
