INTRODUCTION

Welcome to the ICTP Learning Materials Booklet! We are delighted to have you join our International Certification of Type Practitioner (ICTP) program. This booklet is designed to provide you with a glimpse of all the essential resources and information that will be provided to you during the program, helping you to succeed in your certification journey. Whether you are new to the field of personality type assessment or looking to enhance your existing skills, this program will offer you valuable insights and practical knowledge.

Purpose of the Learning Materials Booklet

This Learning Materials Booklet serves as your guide throughout the ICTP program. It provides a glimpse of the detailed information you will receive in each module, including summaries of key topics, practical examples, and additional resources. You will also find schedules for online classes, infographics, and visual aids to enhance your learning experience. Additionally, you will be given access to Dr. Qamar's Type Library, which contains a collection of 75 of the best books to further enhance your knowledge. By the end of this program, you will be well-prepared to apply your knowledge in practical settings and achieve certification as an ICTP professional.
