SCHEDULE

Total Mins	90 Minutes
Class 1	Completion of prework and Introduction of the course.
Class 2	ITCC will be covered in 2 classes of 45 minutes each. With clear understanding of all types.

COURSE OVERVIEW

Introduction

This course is designed to equip you with the knowledge and skills necessary to apply personality type insights in career counseling. By understanding the relationship between personality types and career preferences, you will be able to guide individuals towards fulfilling and suitable career paths.

Please note: Completion of the ICTA (International Certification on Personality Type) module is a prerequisite for all other courses, including ITCC.

Objectives

By the end of the ITCC module, you will:

- Gain a comprehensive understanding of how personality types influence career choices and satisfaction.
- Learn to apply the 5-step model to career counseling processes.
- Develop strategies to match individuals with career paths that align with their personality types.
- Utilize cognitive functions to enhance career guidance practices.
- Learn techniques for addressing career-related challenges specific to different personality types.
- Support individuals in leveraging their strengths for career success.
- Use personality type insights to create personalized career development plans.

CAREERS
